DOLAV ACE **460**

Premium line box pallets
Strong. Long Lasting. Reliable.

ACE Box Pallets

Shallow height to prevent goods' compression

Built-in hoist grips enable easy lifting

**Integral runners for safe tipping on forklifts**

Heavy duty box pallet for tough applications

Built-in drainage ports and caps enable fast and convenient drainage

Rely on DOLAV for reusable box pallets that last for years

Dolav's durable, reliable and long lasting box pallets enable easy and efficient transport and storage of food, beverages, materials and more. Dolavs are manufactured in one piece with three integral runners for safer tipping when used with a fork lift. Built-in hoist grips enable safe and easy lifting.

Protects Contents

Specially designed lid prevents contents being damaged
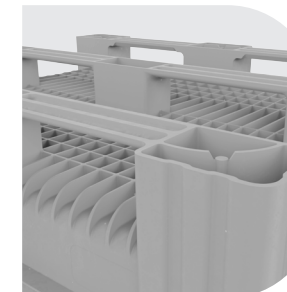

Easy Lifting

Built-in hoist grips enable easy lifting with standard equipment *

Effective Drainage

Built-in 2" drainage ports with caps which are easy to remove **

Safe Tipping

Three integral runners are safer to use with fork lift rotators ***

Hygienic and easy to clean- Large interior radius with no hidden crevices

Reusable and recyclable- Extra strong box pallets can be reused for years

Low lifetime cost

*Optional
**Box pallets can be supplied with one or two drainage ports, or without a drainage port.
***Box pallets can be supplied with two or three integral runners.

RFID-IML Technology

The Power of the Combination: RFID-IML, The DNA of your Dolavs.

- Easier tracking- **Unique ID per Dolav**
- Rewritable Data- Write up to 128 bits of data
- Better documentation - each tag can have high quality printing of both RFID and Barcode
- RFID-IML is more hygienic and avoids contamination
- Long Lasting- RFID IML tags are an integral part of your Dolav and cannot be removed
- RFID IML tags will not wash or fall off during use
- RFID IML is washable and withstand -30°c - +100°c
- Can be read from a distance

When you have Dolavs with RFID IML, you have a smarter and efficient stock management system which can help you identify damage in the supply chain and prevent loss.
Customised To Your Needs

Dolav's lids are available with or without hoist grip, enabling the lids to be used when lifting.

Walls can be solid, perforated, or a combination of both. Perforated walls offer fast cooling and ventilation.
Hot stamped logo

Sequential numbering

Embossed logo

Logo options

The company name, logo and sequential numbers can be hot stamped onto the Dolav for easy identification.
